NECCC Honors Candidates

Do you have a candidate to nominate before March 1?

You know these people; every club has them, that person that makes things happen! First to arrive, last to leave, on the phone, on the computer, planning months ahead, writing newsletters, running inter-club competitions, teaching, driving 100 miles to present a program or judge. They do it for the love of photography!

Service for the photographic community beyond your immediate club though not required is a plus.

Please remember, not every person submitted will automatically receive an honor.
